INTRODUCTION

I am a recent Computer Science graduate from Dalhousie University with hands-on experience working in agile team environments. Skilled in C, Python, Java, React, JavaScript, TypeScript, with a strong focus on problem solving and collaborative development. Seeking a Software Developer role where I can contribute to building reliable applications while continuing to expand my technical expertise.

EDUCATION

DALHOUSIE UNIVERSITY | SEP 2020 – OCT 2025

Halifax, Nova Scotia.

- Bachelor of Computer Science.
- Communications Technology & Cyber Security Certificate.
- Mobile & Web Development Certificate.

WORK EXPERIENCE

THE MOBILE FOOD MARKET | MAY 2026 – PRESENT

DRIVER & WAREHOUSE LABOURER

Loading produce onto the truck and safely transporting it to partner locations for delivery. Effectively communicating with partners to arrange delivery times & pick-ups. Warehouse sorting & selecting produce for markets. Cleaning of the fridge & workspace. Occasional maintenance and assembly of various products.

Skills

- Customer service & communication.
- Order sorting & organization.

BIG BROTHERS BIG SISTERS | JUN 2024 – NOV 2025

TRUCK DRIVER

Collected donations from donation bin sites located in Halifax, Timberlea, Tantallon, Hammonds Plains, Bedford, Sackville, Fall River, and Dartmouth. Safely operated a sixteen-foot truck and maintained bin sites and truck clean and tidy.

Skills

- Time management & route planning.
- Occasional residential pickups.
- Optimizing truck space to maximize donation collection.
- Heavy lifting and careful handling of delicate items.

MAXSYS STAFFING | MAY 2023 – JUN 2024

TEMP WORKER

I was positioned at various workplaces and tasked assisting companies in completing jobs as they required. I worked at warehouses, professional offices, and with moving and construction companies. This was a summer position both in 2023 and 2024.

Skills

- Moving (Residential & Business).
- Document organization.
- Handling & utilizing power tools.
- Building office spaces.

ELECTIONS CANADA| OCT 2019 & SEP 2021

VOTER INFORMATION OFFICER

During the federal and provincial election, I was tasked with setting up the polling stations and assisting voters with the voting process. I greeted voters at the door and informed them of the required documents for the voting process and directed them to their designated polling station or to the registration officer if the voting card was missing.

Skill

- Efficient communication.
- Directing large groups of people.
- Verifying identification documents.
- Upholding the principles of the democratic process.
